Remembrance Day

This year CBE introduce the Fall Break for all schools from Nov 9-Nov 14. This means the last day the kids will attend school will be Nov 8 and they will return on Nov 15. Kids Coollege will be closed on Nov 9-10. Nov 9 will be used to prep for Winter Camp and Nov 10 is in lieu of Remembrance Day. We will reopen on Monday Nov 13. Nov 13 we will stay at the center doing fun activities with the kids and Nov 14 will be a PJ and Electronics Day.

Nov 24 is PD day and we will be going to Laser Tag for some fun!

Do you know why Remembrance Day is always on November 11th?

It is because Remembrance Day is a day to remember all of the people who died in World War I. World War I ended on the 11th hour, of the 11th day, of the 11th month.

REMHINDER

Parents are responsible for passing on important information for each child as the teacher emails parents directly and not the center. Please ensure this information is passed on so we may know where your child needs to be when dropped off at the school, or if there is any important information we need to know.

Park & Movie Day

Please note that every Friday, all children will be at the park from around 1:30 pm until 2:30 pm. From here we will return to the center for MOVIE DAY!

Every Friday we will go to the park unless there is inclement weather. There will be a short email sent Thursday in regards to if there will not be park day that Friday. If there is no part that day, due to unexpected weather you will be informed as soon as possible.

Last Month Recap- October

We hoped everyone had a great family time for Thanksgiving and got to enjoy a delicious dinner among your loved ones.

October was a fun month at Kids Coollege. We hosted our first family night of the school year. We welcomed lots of families and had great time just before everyone headed out for trick or treating. We got to see lots of very creative costumes. But most importantly we got time to chat with the parents a little more than the 2 mins at drop off or pick up times.

October 20 marked our first field trip of the school year. We visited Hide & Seek indoor playground. The kids had a blast climbing, jumping and navigating the mazes.

Snacks

As per AHS guidelines, we will be providing snack for children after school , however all food will be provided by staff to each child.

Please ensure children know snacks & lunches can not be shared with other children. This rules includes siblings trading lunch.

All food that is brought into the center must be **nut free**.
