IMPORTANT REMINDER!

BY HALEY LOTT

Parents are responsible for passing on important information for each child as the teacher emails parents directly and not the center. Please ensure this information is passed on so we may know where your child needs to be when dropped off at the school, or if there is any important information we need to know.

SUMMER INFORMATION

BY HALEY LOTT

Early Bird discounts for summer registration have ended but we still have spaces available! Please feel free to contact us if you have any questions! Even though the early bird pricing is over, you can still get multiple weeks discount for registering for more than 4 weeks! Contact us for more information today!

OTHER IMPORTANT INFORMATION

BY HALEY LOTT

As we know, weather in Calgary is very unpredictable. Please ensure your child is fully prepared for changes in the weather such as coats or rain boots. Also providing a change of clothes may help as well.

PARK DAY & MOVIE DAY

Please note that every Friday, all public school children will be at the park from around 1:30 pm until 2:30 pm. From here we will return to the center for MOVIE DAY!

Every Friday we will go to the park unless there is inclement weather. There will be a short email sent Thursday in regards to if there will not be park day that Friday. If there is no park that day, due to unexpected weather you will be informed as soon as possible.

SNACKS

As per AHS guidelines, we will be providing snack for children after school however all food will be provided by staff to each child.

Please ensure children know snacks & lunches cannot be shared with other children. This rule includes siblings trading lunch.

2022 - 2023 SCHOOL YEAR REGISTRATION

The school year is almost over! Only 1 more month to go! We have sent out 2022-2023 School year registration in April. We will no longer be holding your child's place unless you have already spoken with the center. If we have not received a confirmation of enrollment at this time, we will open spaces up. As covid is winding down, more and more families are contacting for childcare which means spaces can very easily fill up before the school year is out. If you have any questions at all, please do not hesitate to contact us.

CELEBRATIONS & BIRTHDAYS

Every year in June we celebrate all of our friends having a birthday from June until September! We hope you all have a Happy Birthday!

Jayde - June 22
Melodie - Aug. 2

June 28th - Last day of school!
